

MINUTES OF A MEETING OF MOULTON PARISH COUNCIL
Held at Moulton School ON MONDAY 9th July 2018 at 7.30

PRESENT	
Councillors	Cllrs Boyle, Harding ,Jennings, Capstick, Aston, Vernon
Other Attendees	Cllr Helen Weltman

1	To receive Apologies (and record reasons for absence) and to note any Declarations of Interest Apologies were recorded for Cllr Watkinson
2	To receive the PCSO's Report - This last month I have received a high number of complaints from residents living in close proximity to the MUGA. The complaints are mainly noise related mixed with some ASB. Patrols have been in the area however with emergencies to respond to this has been limited. I will change my shifts to accommodate this issue in the coming weeks. I suggest a sign to be put up from the PC and the Police stating that noise should be kept limited to respect the residents. Could there be a facility to lock the MUGA in the evenings, Maybe the residents could help with this as a community group? I will be attending in the evenings when the problems are occurring (about 10pm onwards), youths causing any problems will be spoken to and details taken and passed to out ASB unit for action. Usually a letter home in the first instance depending on their age. If they are just playing then no action will be taken, I will however advise them re the noise. There have been reports of Vehicles being broken into in the Davenham / Moulton and Kingsmead area. Personal belongings along with car parts have been taken. Investigations are still ongoing to identify who we believe to be a male suspect. Patrols are in the area during the nights looking for any suspicious activity. Residents are advised to contact 101 with any information or CCTV images can be emailed to Christopher.palmer@cheshire.pnn.police.uk I have used the Speeding device on London Road and other Roads will also be covered. I have been using the bus to get to Moulton meaning I can spend most of time on foot patrol, I have had positive comments whilst walking in the community.
